Super friendly staff, clean room and decent breakfast. It's a 10 minute walk from the Alabama city hall and a 5 minute drive from the riverwalk. Thank sine Report Ask sine about Best Western Plus Hotel At Alabama City Hall This review is the subjective opinion of a TripAdvisor member and not of TripAdvisor LLC. I stayed here for a week with a group of friends. The rooms were clean, beds were comfortable, and the breakfast was great. It was a little difficult getting into our room (the second floor) as the door was stuck, but when we arrived we were greeted by friendly and courteous staff. The location is decent, it's downtown, and it is walking distance to the Riverwalk. The free breakfast is basic, but there are eggs, meat, pancakes, cereal, waffles, french toast, oatmeal, juice, toast, fruit, and of course coffee. There are microwaves for reheating and refrigerators for keeping things cold. My only major complaint is the f678ea9f9e
